6 On the Notification of 11th July 1923 it is not specifically stated that the levy should be made with the previous sanction of Govt. and in the absence of such preservation it may not be necessary for the Govt to sanction the levy in such cases

4) Again the most common Question to levy the cess at 6 pies on 3-12-24 Govt have power to is whether we can sanction the levy from 1-7-23 that is on items of demand which fell due nearly 18 months ago.

8) There does not seem to be any harm in Municipal sanction, though it has not been expressly stated that fresh sanction is necessary. As the Notification came into force from 16th July 1923, the Cess can be levied only from that date but the resolution of the Council was passed long after. Effect may perhaps be given from the year 1924-25

Official Memorandum.

Reference -Ittilla No.73/24-25 dated 13th October 1924, from the - President of the Kallurkatte Minor Municipal Council, reporting that as most of the people of this Municipality are unable to pay an education cess of six pies in the rupee, the Council have passed a resolution that an education cess of three pies in the rupee may be levied from 1st January - 1925

The Shimoga District Board have resolved to levy an Education Cess of six pies in the rupee in all the rural areas in the District, and the - Municipal Councils of Bhadravati, Channagiri, Honnali and Tyamti, have also resolved to levy the cess at the rate of six pies. As it is desirable that there should be one uniform rate for the District, the Municipal Council may be pleased to reconsider their resolution and fix the rate of six pies in the rupee with effect from the year 1925-24

The President of the Municipal Council, is requested to explain once again to the Council all the aspects of the question and communicate their resolution in the matter before the end of the current month.
